CAJAS ELÉCTRICAS

Una caja eléctrica, o cajetín como comúnmente se le llama, tiene como función primaria alojar conexiones eléctricas. las cajas determinan los recorridos de las canalizaciones de dos o más puntos distintos de las instalaciones eléctricas y en su interior se realizan empalmes de los conductores, a los cuales se les ha removido el aislante, con el fin de hacer derivaciones a conexiones a interruptores, tomacorriente, salidas de lámparas, etc.

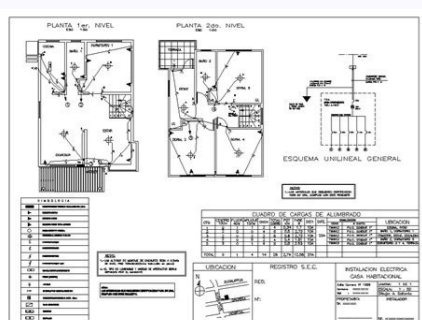

TIPOS DE CAJAS

Las cajas eléctricas pueden ser metálicas o no metálicas. Aunque la tendencia actual es utilizar cajetines no metálicos, muchos hogares poseen

His responsibilities include managing the staff, directing content, YouTube personality, head-reviewer, editorial, and podcast co-host. Prior to working on Windows Central, Daniel was a polysomnographer at Weill-Cornell Medical College and NY Presbyterian in New York City, a movie theater projectionist for 17 years, Emergency Medical Technician in Connecticut, and was studying for a Ph.D. in linguistics in the neurology of language. They also hold the title of "Minecraft Expert" for Windows Central and is in charge of all things Minecraft. When Zachary isn't writing for Windows Central, they're listening to music, reading books, and playing video games. We've been around for more than a decade, and we take our jobs seriously. He also acts as the team's resident Sea of Thieves and Pokémon superfan. Growing alongside Windows Central as the website eventually became what it is today, Rich now creates content covering all things PC — be it games, hardware, water cooling or software. Prior to joining the MoNa squad, Rich was at an SEO Agency based out of London. It also analyzed reviews to verify trustworthiness. For example, if the window casings look a bit worn and you don't have time to replace them, you may want to opt for blinds or shades mounted on the outside of the window or pair a shade with curtains to disguise the casing. Pick a Style The final consideration when shopping for window treatments is the style of the room. He's a former freelance games journalist, then the first ever Deals Editor for TechRadar and then the Managing Editor of eCommerce & Hardware at GamesRadar before joining us. When he's not rummaging through online sales or trying to appease the Google algorithm you'll find him binging boxsets, laughing at foals that don't have Xbox Game Pass and testing every Xbox controller out there, then just using the one standard Series X one. LinkedIn: Brendan Griffiths (opens in new tab) Twitter: @bgriffithsCale Hunt, Senior Editor, Laptop Reviews (Image credit: Cale Hunt) Cale joined Windows Central in 2016 to help with reviews, how-tos, and general coverage surrounding laptops, tablets, pre-built PCs, and accessories. Outside mount refers to a window treatment attached to the wall surrounding the window. Sean still reviews apps between his news coverage. When he's not covering news or writing about the latest tech, Sean is an avid American football fan. After building his first PC when he was 13, he continues to evolve his skills in the hope that cyborgs eventually become reality. Read: Rich's posts Twitter: @richedmonds Instagram: @Rich_Edmonds Email: rich.edmonds@futurenet.com Sean Endicott, News Writer & Apps Editor (Image credit: Sean Endicott / Windows Central) Sean started contributing to Windows Central in 2017 as an app specialist. In these rooms you see wood accents, plush furniture and decorative items like baskets, plants and wall hangings that catch your eye. Sheer curtains over the windows enhance the light and airy ambience of the room, especially if you live in an area with plenty of outdoor breezes. You just need a basic understanding of the available options and have a plan for the room's design. Learn the Lingo When you're shopping for window treatments, it helps to know the terms used to classify and describe them. You should get three measurements for each dimension (left, center and right for the width and top, middle and bottom for the length and depth). This information will help you narrow your search. He is passionate about reading and writing, eating and drinking (mostly coffee and Belgian beer), and the Red Sox. Shades roll up and down over the entire window, but valances are just decorative pieces at the top. Other words that come in handy are installation terms. They add splashes of color or tie together all the pieces of furniture and accessories in the space to create a cohesive look. Traditional rooms feel warm and inviting. Unless you're buying custom-made window treatments, you have to find pieces that actually fit your window. You can also catch him at various conventions throughout the Midwest and East Coast. Carl Velocci (Image credit: Carl Velocci / Windows Central) Carl Velocci is the Gaming Lead across Windows Central, Android Central, and iMore and is also the chief copy editor. He started out writing about leaked Windows 8 builds back in 2011, which eventually led to creating a popular "build walkthrough" video series on YouTube that explored upcoming features Microsoft had yet to announce. He's also an avid collector of rare devices, as well as unreleased or canceled prototype devices from Microsoft. Shades and valances are pieces of fabric. If it runs Windows, is made by Microsoft, or affects our audience, he's on it, along with the rest of the news team. In 2010, he took over duties as Editor-in-Chief. Top a shade with a printed valance or swag to give the window dimension. Shutters add architectural detail that contrasts beautifully with casual furnishings. He also hosts Windows Central Gaming's weekly live podcast Xbox Chaturdays. Note the number of windows, their basic shape and how closely they're grouped together. What you put over the windows may complement or contrast with the furniture and colors. Grab a steel tape measure and paper to record notes. When she's not pulling double duty making sure everybody's grammar is perfect and that they're playing all the best new games, she's playing more games (for fun, she promises). In 2020, Dan became Editor in Chief for Windows Central, overseeing content production, planning, and strategy. Before joining Mobile Nations and Windows Central, Dan cut his writing teeth at Illinois State University. Blinds and shutters are typically made from sturdy materials like wood or metal and have slats that open and close. Work from left to right and top to bottom. Start with the basics and learn the difference between blinds, shades, shutters and valances. CCOmplocat/Pixabay Although some people use the terms interchangeably, they refer to specific types of window treatments. In 2016, Dan took on the lead news role for Windows Central, directing news coverage on the Microsoft ecosystem. Windows Central writers and editors value accuracy and editorial independence in everything we do, never receiving compensation for coverage and never pulling punches. Windows Central Staff Zac Bowden, Senior Editor, Windows Ecosystem (Image credit: Zac Bowden / Windows Central) Zac joined the Windows Central team in 2016, and his primary objective is to bring you exclusive coverage into the world of Windows on PCs, tablets, and more. Solid color curtains may provide an interesting contrast to the rest of the room and add a touch of softness. Additionally, Brendan proudly serves as Windows Central's resident Halo specialist, covering Xbox's flagship franchise from a multitude of different angles. When he isn't working, Brendan is likely playing one of his favorite games or reading a good book. A keen Lumia and Surface user, Jez discovered the benefits of the Microsoft ecosystem via Xbox, which has gradually moved into convergence under the Windows 10 Universal Windows Platform. When Jez isn't writing about games, he's most likely playing them on Xbox. Zachary primarily writes gaming news, guides, and reviews, but they're not afraid to expand beyond their normal duties.
